Terrace with Reach

Opportunity

Customer was looking for a more open plan and a way to make their existing space more efficient.

Reach™ Wins!

Reach continues to be a success in the marketplace. Here is an example of the dramatic effects it has had in changing the way the workplace is defined:

Reason for Success Ability of Reach to offer greater space efficiency vs. a traditional plan.

Traditional
135 People
90 Workstations

vs.

Reach
142 People
98 Workstations
6 Teaming Areas
Larger Lunch Room

Panel Fabric

Lucy Thyme LC929 and Lucy Dusk LC922

Paint

Gunmetal Metallic PR3

Laminate

Cinnamon J with Black Edge E4

Seating and Ped Topper

Upholstery

Open House Onyx OPN16

“Fantastic, Positive, It Rocked! A single larger, open work surface is much more effective than multiple smaller surfaces. What we like about Reach is that it introduces a clean and refined workstation enhancing the overall workspace. We also like that it offers a variety of solutions within the workspace. Reach did all of this, plus gave us more space on the floor plan.” – Reach Customer
