Using soft seating and a variety of storage units, this huddle space serves as a resource library and multi-media room.

- Open-display shelving, perfect for storing reference materials, books, and resource documents, is anchored by a single-high lateral unit that holds necessary media accessories.
- Use of color in upholstery and shelving makes the space vibrant and inviting.
- Soft seating creates a relaxed environment, and consistently aligns the aesthetic from casegoods to lounge area.
- Power is easily accessible and soft seating supports longer meetings or all-day brainstorming.
- All units can be repurposed in open plan or private office as space needs change.
