Life cycle responsibility.

Sum is designed to last through a full lifetime of use. As the need arises, the casters, arms, back, seat, and cylinder can be replaced in the field. 88% of the materials that go into Sum are recyclable*. In addition, Sum is Greenguard™ tested and meets or exceeds ANSI/BIFMA performance standards.

*Allsteel complies with the Federal Trade Commission's Part 260 Guide for the Use of Environmental Marketing Claims. Product recyclability depends on local recycling programs.
