Relate™

## Relate – More Design Choices with Polished Aluminum.

Now you can add the sleek look of polished aluminum to the base of Relate™ work chairs – giving you more ways to enhance any environment with Relate. For an even more elegant aesthetic, select both fixed C arms and base in polished aluminum.

Relate chairs can now be upholstered in Edelman leather as featured in these photos. With a new polished aluminum base option and the availability of Edelman leather, Relate continues to deliver aesthetic freedom across the office.
