☉ SELECT COLORS

Brilliant White*PQ8	A
Champagne MetallicPR5	A
Gunmetal MetallicPR3	A
Platinum MetallicPR2	A
Silver*PR6	

*PR6 is not available on Align, Stride trim for panels and tiles, Terrace, Concensys, Cadence, Reach, Persona, Essentials, and vertical files. Paint color PQ8 is not available on vertical files.

Metallic paints, due to varying reflectance, may appear to have less visual color consistency than other paint finishes, even when L/A/B values (measurable aspects) of color are exactly the same.

NATURAL VENEERS — NATURAL-2

Dark Rift OakRF331
Medium Rift OakRF357

Horizontal surfaces to be full-fill, ClearTech® finish.

The beauty of wood is the natural variation of grain patterns and colors that make each piece unique. This variation is also influenced by lighting conditions, orientation of mated parts, and varying acceptance of the finishing process. The varying colors and physical characteristics naturally occur in all wood species but are most pronounced in lighter colored woods, and are especially evident in natural finishes.

ORDERING

Please refer to your Allsteel Dealer Sales and Discount Policies for order placement information, terms and conditions.

Questions or Comments?

Please call us at: **888-255-7833**

Fax your orders to: **888-329-3123**

PLASTIC GROMMETS WITH WOODGRAIN EDGE

If woodgrain edge is specified, the plastic grommet color is predetermined, based on finish selection.

Natural Maple — Muslin grommets

All other woodgrain options — Black grommets

GROMMETS ON VENEER WORKSURFACES

Wire management grommets come standard on most veneer worksurfaces. Choose between metal or plastic grommet option. Note: Plastic grommet color is predetermined based on finish selection. All Maple veneers — Muslin grommets All other veneers — Black grommets

PLASTIC GROMMETS ON FLUID FORM WORKSURFACES

Specify same color as painted supports; or the following plastic grommet color based on Fluid Form selected:

Auburn CherryBlack	E4
