

Allsteel®

Access™

Balances what you need with what you want.

The Access chair from Allsteel brings together all the things you must have with all the things you wish for, so everyone is happy. It offers a modern style perfect for creating a cohesive look throughout your office. And the most important ergonomic features come standard, so you don't need to spend extra money to get a quality chair that fits your busy workplace.

Mesh back with adjustable arms

Mesh back and jacket with fixed polished aluminum C arms and base

Upholstered back with fixed C arms

Armless mesh-back stool

Access brings it all together.

Style

Access offers a sleek, modern design that fits any area of your office, from workstations to conference rooms, private offices to call centers. Available as a work chair or work stool, it's the perfect solution for a variety of workspaces and tasks. Access features three back styles, including mesh, upholstered, and mesh with upholstered jacket. Choose from armless or three different arm styles, black or polished aluminum base, and a wide selection of fabrics to fit any budget.

Comfort

The most important ergonomic features are standard on Access, including tilt-lock, lumbar support, and height- and width-adjustable arms. The breathable mesh back offers a modern aesthetic while supporting your various movements throughout the day.

It's comfortable for long hours in front of the computer with intuitive, personalized adjustments. Two synchro-tilt control options accommodate low-intensity conference room applications to high-intensity, multi-shift environments.

Value

Because extras come standard with Access, you don't need to spend more for expensive upgrades to get comfort and style. So now you can get the right look and comfort for your office, without compromising quality, and it's backed by the Allsteel Lifetime Warranty.

The following features are available on the Access work chair and work stool:

- Mesh back (with or without jacket) or upholstered back
- Height- and width-adjustable arms or multi-adjustable arms
- Fixed C arms in black or polished aluminum*
- Black or polished aluminum base*
- Synchro-tilt or Basic Synchro control (work chair only)

**Polished aluminum available on work chair only.*

We believe that we can make a real and lasting difference for our environment by designing relevant, durable, high-quality products that are guaranteed for years of use and reuse. For details, visit allsteeloffice.com/alltogethernow.
