

Allsteel®

Essentials™

Team player.

The Essentials collection is a complete offering of storage solutions that complements any Allsteel system, including Terrace®, Concensys®, and Optimize™. Essentials is easy to specify and integrate, and its timeless design never goes out of style.

Landscape™ surface: Frosted Glass
 Panel fabric: Appoint Platinum
 Laminate and edge: Charcoal Walnut
 Paint: Brilliant White
 Seating upholstery: Appoint Seating Espresso, Dotty Black
 Mesh carrier (mesh): Titanium (Pearl)
 Frame finish: Titanium

Shown with Optimize.

Solid Construction

Provides long-term durability over the life of the product with sturdy, solid-steel construction.

Durable Finish

The strong surface, available in a variety of colors, features a baked-enamel finish for maximum durability.

Effortless Operation

Every drawer moves smoothly and quietly on a telescoping ball-bearing suspension, regardless of the weight of its contents.

So much storage. So many options.

Lateral File

Perfect for shared and archival storage, or as a hanging file organizer in the workstation.

Personal File

Three drawer sizes store everything from pencils to a briefcase.

Pedestal

Many uses and multiple options, including worksurface support, freestanding, and mobile. Choose from three drawer configurations. Mobile pedestals topped with cushions provide additional guest seating.

Personal Tower

Features three options all in one space-efficient cabinet: wardrobe, personal storage, and hanging files. Optional side shelves provide convenient storage next to the worksurface.

Bookcase

Open, shared storage houses items that need to be at your fingertips.

Right: A roll-out shelf is located behind a receding door, to provide easy access to the upper reaches of lateral file storage.

Below: An optional kickplate extends the streamlined aesthetic all the way to the floor. Available on personal towers and pedestals.

Left: Mobile pedestals with seat cushion or laminate tops give your space added versatility.

Right: Personal files with accessory tray and large hanging file drawers help create order.
