

Cradle to Cradle Certified™ Bronze Specification Sheet

Certification Period: March 24, 2017 - March 23, 2019

Allsteel Systems

Further™, Stride®, Stride Bench, Terrace® Products

Allsteel Systems products offer space-planning solutions for a variety of design applications and work environments. Each system offers a flexible kit-of-parts, aesthetic differentiation, and increased design flexibility to support everything from open, light-scale collaborative work settings to traditional panel-based workstations.

Cradle to Cradle Certified™ Bronze workstations can be created using approved Further, Stride, Stride Bench, and Terrace components. Exceptions are noted below.

Product Exceptions
