

Allsteel®

More options. Less complexity. Best-in-class value.

Scout offers the right blend of function and style. Its attractive, thin-profile design blends well into any office environment, from the workstation to the conference room. Choices include adjustable arms, loop arms, or armless, contemporary mesh or upholstered back, and work chairs or work stools. Simple decisions that lead to superior comfort and high-performing functionality.

Scout®

Durable Construction. Contemporary Styling.

Scout provides exceptional quality with features like a steel back frame and die-cast aluminum upright arms. Intuitive controls with simple levers are easy to find, understand and use, offering a comfortable sit for multiple work styles. Comfort, quality and contemporary design, all at a price you can afford.
